

**Atlanta Chapter of Continental Societies, Inc. Celebrates Founders Day**

**ATLANTA, GA (September 16, 2008)** The Atlanta Chapter of Continental Societies, Inc. celebrated Founders Day at Elizabeth Baptist Church in southwest Atlanta on September 14, 2008. The public service organization donated \$600 to the church's youth ministries. Pastor Craig L. Oliver, Sr. delivered a soul-stirring sermon on "The Essence of Faith." As the Atlanta Chapter prepares to host Conclave 2009, they received timely encouragement to "Praise God in advance & out of expectation of what He will do!" After service, the chapter enjoyed a fellowship buffet at Landon's Restaurant. Eleven Continental Sisters, three Continental Guys and four Continental kids enjoyed this spirited celebration. Continentals LaShanda Dawkins, Crystal Grimes and Chalanda Tucker, members of Elizabeth Baptist Church, hosted the celebration. The Atlanta Chapter of Continental Societies, Inc. is dedicated to the socio-economic and cultural welfare of underprivileged children and youth. Its mission is to create environments within the community that empower children to have access to quality and appropriate opportunities to reach their optimal potential.
